ADDvanced Solutions
Community Network
Supporting you to find the answers

Our Offer in Knowsley

ADDvanced Solutions Community Network is a Community Interest Company, not for profit social enterprise. We offer open access, solution focused, community based pre, during and post diagnosis learning, coaching and mentoring for families with a child living with a Neurodevelopmental condition including autism spectrum condition/ disorder, ADHD, sensory processing difficulties, learning difficulties including dyslexia, dysgraphia, dyscalculia and dyspraxia, speech language and communication difficulties, SEN and disability.

Our offer for Knowsley families living with Neurodevelopmental conditions and supporting professionals:

- **Community Network Groups:** Do you have concerns about your child's behaviour or progress at home or school? Come along to our informal weekly workshops at the **Innovate Volunteering community room, 39 Manor Farm Road, Huyton, L36 0UB, every Wednesday 9.30am - 11.30am during term time**. We also meet for family days out during school holidays.
- **Neurodevelopmental Conditions Family Learning Programme:** A structured learning programme equipping parents, carers and supporters with skills, knowledge and confidence to better recognise, understand and meet the needs of their family living with Neurodevelopmental conditions.

Please see our website for more information, what's on and our termly newsletter
