

Telephone Parenting Support – Family Learning Team

Timetable of availability of Parent Support Workers

(NB – This timetable accompanies the procedures for telephone parenting support which are detailed separately)

If a worker needs additional parenting advice before arranging the call with the PSW, or has any other issues or queries, they should contact Gill Downey (07717727592) before arranging a call with the PSW. Otherwise, workers can contact the PSW directly, following the procedures that are detailed separately.
