Weekly Talk Homework: Picture News – please access this from the school website: <http://stbrigidprimary.co.uk/parents/picture-news-at-home/>

English Activities

Activities for English this week are on BBC Bitesize. I would like you to complete each daily activity in your English books. It is very easy to log on <https://www.bbc.co.uk/bitesize>. You need to choose Year 5 and then the daily lessons for each date and subject will be shown. Choose English and the correct date.

The screenshot shows the BBC Bitesize website interface for Year 5/ P6 online lessons from Monday 4 May to Friday 8 May. It features a table of daily lessons:

Monday	Tuesday	Wednesday	Thursday	Friday
English How to investigate setting descriptions and context	English How to use prepositions for effect in a setting description	English How to use alliteration and onomatopoeia in a setting description	English How to use personification effectively in a setting description	English Reading lesson: Tell Me No Lies by Malorie Blackman

Maths Activities

If you still have some of the Mental Maths on Seesaw to complete from Weeks 1 and 2, continue with this from where you are up to. I have uploaded Week 3 for those children who need some extension work. Treat these workouts as a warm up before completing the main activity. It is like the fluent in five, only with a few more questions!

Maths Activity:

<https://whitrosemaths.com/homelearning/year-5/>
Summer Term, Week 2, Lesson 1 - Adding decimals with the same number of decimal places

Maths Activity:

Summer Term, Week 2, Lesson 2 - Subtracting decimals with the same number of decimal places

Maths Activity:

Summer Term, Week 2, Lesson 3 - Adding decimals with a different number of decimal places

Maths Activity:

Summer Term, Week 2, Lesson 4 - Subtracting decimals with a different number of decimal places

Maths Activity:

Go onto seesaw and complete adding and subtracting decimals challenge.

Year 5 Home Learning Plan – Weeks 5 & 6 (Wk Beg:04/05/20 & 11/05/20)

Waitrose & Partners with John Lewis & Partners. ...

Paid partnership · 

Calling all kids! We need your help designing a superhero-themed bear to grace our shelves this Christmas. All proceeds will go to the NHS in support of all their incredible work.

The competition launches Feel Good Friday from @WaitroseAndPartners and @JohnLewisAndPartners to help bring the nation together for good.

From mindfulness and cookery classes to arts and crafts we'll be working with Partners, celebrity experts, charities and the NHS to support the nation through it all.

To enter simply draw, sketch and design your SuperBear using the template which is available to download here: <https://jland.partners/FeelGoodFriday>. Be as creative as you like.

Share your designs by email to designyoursuperbear@johnlewis.co.uk by 5pm on Friday 8th May 2020.

Have you seen this competition about designing a superhero-themed bear ready for sale at Christmas?

Check it out on the internet for full details.

Over the next few days design your own bear and email it across to the website above.

Be quick as entries close on Friday!

VE Day

The nation will be celebrating the 75th Anniversary of VE Day on Friday 8th May. These celebrations will be a little different to what we had planned in school but we can still make it special. Here are some possible activities you may want to try at home.

- Find out some facts about VE Day. Why do we celebrate VE Day?
- Design your own bunting – Great British Bunting BBC is a useful website for this!
- Hold your own celebrations at home on Friday. Put up your bunting, play some music, have a dance and eat some cakes. There are some traditional party game ideas on our website thanks to artventurers.co.uk.

Don't forget to send us your pictures on Seesaw or Twitter.

Year 5 Home Learning Plan – Weeks 5 & 6 (Wk Beg:04/05/20 & 11/05/20)

Topic Activity

During the Summer Term, Year 5 are looking at the Vikings and their impact on Britain. Here are some possible activities you may want to try at home.

- Create a poster/fact file containing details about who the Vikings were, where they came from and what they did?
- Design a Viking shield (in Year 5 seesaw library)
- Construct a Viking timeline (in Year 5 seesaw library)
