Community Network
Supporting you to find the answers

Our Offer in St Helens

ADDvanced Solutions Community Network is a Community Interest Company, not for profit social enterprise. We provide open access, solution focused, community based, pre, during and post diagnosis learning, coaching and mentoring for families with a child living with a Neurodevelopmental condition including autism spectrum condition, ADHD, sensory processing difficulties, dyslexia, dyspraxia, dysgraphia, dyscalculia, SEN and disability.

Our offer for St Helens families living with Neurodevelopmental conditions and supporting professionals:

- **Community Network Groups:** Do you have concerns about your child's behaviour or progress at home or school? Come along to our informal weekly workshops at the **YMCA, 25 College Street, St Helens, WA10 1TF** every **Tuesday** during term time from **12.45pm to 2.45pm**. We also meet for family days out during school holidays.
- **Neurodevelopmental Conditions Family Learning Programme:** A structured learning programme equipping parents, carers and supporters with skills, knowledge and confidence to better recognise, understand and meet the needs of their family living with Neurodevelopmental conditions.
- **Evening Awareness Raising Training Workshops for parents/carers** to better recognise and support the needs of the child/young person living with a Neurodevelopmental condition.
- **Siblings Awareness Raising workshops** for siblings of children and young people living with a Neurodevelopmental condition.
- **Awareness Raising Training for Professionals** to develop skills and confidence to better support the families they work with living with a Neurodevelopmental condition.
