

The governors at St Brigid's Catholic Primary School have adopted the 'Journey In Love' programme to support the non-statutory relationships and sex education across the school from Nursery to Year 6. The programme of study is authentic to the teaching of the Catholic Church.

A Journey in Love has as its foundational premise the belief that we are made in the image and likeness of God and, as a consequence, gender and sexuality are God's gift, reflect God's beauty and share in the divine creativity.

In order that children may grow and develop healthily and holistically towards an understanding of their gender and its implications for successful relationships, they must be at ease with themselves and grow in self-knowledge.

An aspect of the mystery of love is treated in each year group; children and young people are encouraged to marvel at the wonder and beauty of God's creative love. This is reflected in each stage of a person's growth in the Primary years through a series of suggested, progressive and developmental tasks, activities and reflections which focus on physical, social, emotional, intellectual and spiritual development.

'Love is the light – and in the end, the only light – that can always illuminate a world grown dim and give us the courage needed to keep living and working. Love is possible, and we are able to practise it because we are created in the image of God.'
