

Summer Term 2022/23

Safeguarding/Child Protection Officer—Mrs R Tyler

Friday 9th June 2023

Dear Parents/Carers,

We are now in our final half term of the year...where has the time gone?

We would like to share some of the things that have happened since Easter:

- Our new children are all settled in
- Toilet training is well under way for lots of caterpillars, thank you for your support in this area and please talk to us if you need some advice
- We continue to work on building relationships with others and using our words and gestures to communicate with each other. Sharing remains a big part of our day, please support this by encouraging your child to share a special toy with you and others
- The rhymes we have been learning are: 1,2,3,4,5 once I caught a fish alive, Humpty Dumpty, Jack and Jill — please sing these at home
- Our topics have been based around the stories Rainbow Fish and Handa's Surprise. We have made masks, retold the story using props, played matching games and tasted fruit cocktail
- We are working on our fine motor control by drawing in shaving foam, doing finger gym and using the workshop area

As the end of term and new year approaches there are some dates for you to be aware of:

Thursday 13th July	9.00am	Parent only meeting for children entering their pre-school year
Friday 14th July	All day	Visit from the party bus and minibeasts session
Wednesday 19th July	Am	Nursery party
Thursday 20th July	3.30pm	Nursery closes for Summer (holiday provision remains open until Aug 18th if you require it)
Monday 4th September	8.45am	Meeting for ALL parents in the 3YO provision (essential for paperwork, children will not be able to start back without this)
Monday 4th September	9.15am	Meeting for ALL parents in the 2YO provision (essential for paperwork, children will not be able to start back without this)
Tuesday 5th September	all day	Nursery opens for children

Communication remains a target area for us and our children and we are always looking for opportunities to extend vocabulary by teaching them new words and expecting them to talk to us using full sentences. Thank you for supporting us in doing the same.

Thank you for your continued support; this year has been a pleasure and our team at St. Brigid's Nursery look forward to the next one. Lots of children are moving up to the Butterfly Room and a new adventure awaits!

Wishing you all a lovely final half term and summer.

Mrs S Richards

(Senior Assistant Headteacher)
